

“OUR PRIVATE FEES ARE DESIGNED TO BE FAIR AND COMPETITIVE TO ENABLE US TO OFFER OUR PATIENTS FREEDOM OF CHOICE AND THE ABILITY TO CHOOSE ADVANCED TREATMENTS.”

Our price guide illustrates the fees associated with different dental, cosmetic, orthodontic and facial aesthetic procedures. Our ‘pay as you go’ dental treatments are sensibly priced and we provide a written estimate of any proposed treatment following your consultation so you are fully informed at every step.

We take great pride in the quality of care we provide and always seek to allow ample time to ensure we offer a relaxed, unhurried service to our patients.

We request payment on the day of treatment and accept cash and all major credit and debit cards. (We no longer accept cheques.) We also offer flexible payment options for treatment cost over £1,000 - please ask us for details.
